## PREFACE

**Vidya Gunturkar - Joshi**  
**Founder NMFPL**

Dear Readers, stakeholders, supporters, team NMFPL and well wishers, Welcome to the 33<sup>rd</sup> NMFPL newsletter.

I am pleased to announce that we successfully launched our inaugural brand store in Chhatrapati Sambhaji Nagar last month. We plan to launch an additional five stores before the end of the financial year.

At **Joshi's The Nutrimillets Store**, we pride ourselves on being a haven for health enthusiasts and anyone looking to incorporate nutritious grains into their diet.

**Nutrimillets** specialize in a wide variety of millet-based products, offering everything from raw millet products to convenient, ready-to-eat snacks, designed to meet diverse dietary needs.

Millet is celebrated for its high fiber content, essential minerals, and low glycemic index, making it a wonderful alternative to traditional grains like rice and wheat. Here at **Joshi's**, our customers can explore a plethora of options including millet flours, wholesome breakfast cereals, and even decadent millet-based desserts.

**Nutrimillets** committed to providing not just products, but also valuable nutritional information and recipes to help our customers make informed decisions about their health.

Whether you're already a seasoned millet aficionado or just beginning to discover the benefits of this ancient superfood, **Joshi's The Nutrimillets Store** is your perfect partner on your journey to better health.

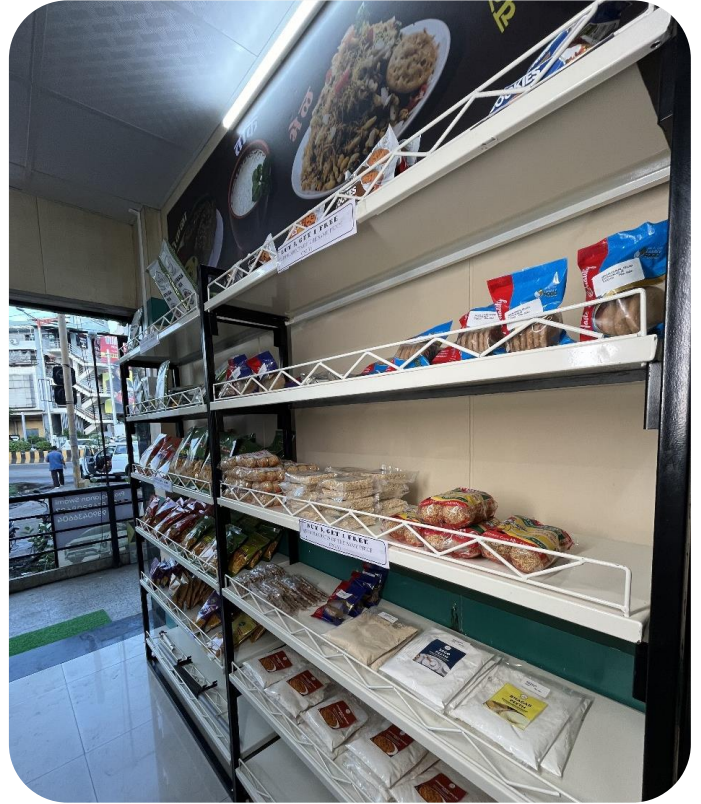

Please visit the store for **Nutrimillets** products and attractive offers.

I will keep you posted on this. Please do write us to share the feedback on the newsletter on [nutrimillets.foodspl@gmail.com](mailto:nutrimillets.foodspl@gmail.com).

## UNIT VISIT Team of SATTAVA Consulting

A team from Sattava and Udyamwell organized a program on June 30th, 2024, in Chhatrapati Sambhaji Nagar to raise awareness about the ONDC platform and its benefits for MSMEs.

The day before, they visited some promising startups in the city, including Nutrimillets.

It was a pleasure to meet them and engage in a fruitful discussion about the challenges faced by MSMEs and the process of onboarding onto the ONDC platform.

We look forward to more such exchanges and interactions for the benefit of women MSME entrepreneurs.

We extend our gratitude to the Sattava and Udyamwell team for their visit.
